

## **Crisis in Yemen Primary Source Analysis Worksheet**

**<u>DIRECTIONS</u>**: For this activity, you will be working with your group members to answer the

| е            | ach specific map, and at the end there will be a few questions that will have you compare nultiple maps. Each member will be turning this in at the end of the activity. |
|--------------|--|
|              | OCUMENT A:  What group resides in the green section of this map? What is the importance of this?   |
| 2)           | Why might it be difficult to have one government in control of all of Yemen?   |
| <u>D(</u> 3) | OCUMENT B: Using Document A to help you, why do you think the border of North and South Yemen was where it was?  |
| 4)           | Why might North Yemen want to unify with South Yemen after the USSR fell?  |
|              | OCUMENT C:  Who are the two groups that are fighting in this conflict? By what other names have we been discussing them?   |

6) Have these territorial lines changed much? (Look back at the other maps to help you)

## **DOCUMENT D:**

|     | Compare this map to Document C. How have the territories changed? How have they stayed the same?  |
|-----|---|
| 8)  | Why is it important that other groups have now entered Yemen?   |
|     | L DOCUMENTS:  Looking at all of the documents, how are territories separated in Yemen? How have they changed over the years? How have they stayed the same? |
| 10) | Do you think that one central government can successfully rule in Yemen? Why or why not?  |
|     |   |
