

**Stations Worksheet - Crisis in Darfur: Ethnic Cleansing**

Today, you will be visiting three stations, A, B, & C. You will learn about what the ethnic cleansing meant for the people of Darfur and how it impacted them. You will have ten minutes at each station to review the source and answer the following questions. After we are done with the stations, we will then get together to have a group discussion. Please make sure you use complete sentences when writing your responses.

**Station A: Photographs**

Select **THREE** images, from the source packet “Station A: Photographs” and answer the questions below.

| Image # | What do you see in the image / What is happening? | How do you think the ethnic cleansing impacted the people? |
|---------|---|--|
|         |   |  |
|         |   |  |
|         |   |  |

Answer: Explain what the daily life was like for a Darfurian citizen facing ethnic cleansing in their country using evidence from what you saw in the images.

**Station B: Reading a Testimony**

Select **ONE** reading source and then answer the questions below. Please use complete sentences and use specific evidence from your source chosen.

Reading Source chosen is:

|   |  |
|---|--|
| Who is giving their testimony?  |  |
| What is their testimony about / saying?   |  |
| What can you infer that their experience was like in Darfur based on their testimony? |  |
| Explain, how ethnic cleansing altered the daily lives of those in Darfur.             |  |

**Station C: TedTalk Video**

Scan the QR code with your mobile device (Snapchat or Camera), type in website link, or share with a peer to watch the video. Please take notes while you listen and make sure to stop at 7:00 minutes. Once you are finished please answer the following prompt.

Explain in **three or more** sentences, using specific evidence from the video, what the speaker faced in Darfur. Consider what the speaker said about what life was like in Darfur and what emotions she felt.
